Elementary thru Incoming Freshman Camp

The focus of this camp is to help players develop their fundamentals, both individually and as a team in a competitive environment. A camp day will consist of a team warm-up, throwing, catching, and groundball work, as well as sport specific games. During sessions, we will work on the following skills: shooting, dodging, and carrying the ball, as well as playing good body position defense. Our goal is to provide a proper foundation and give players a variety of skills that can be used throughout the summer to improve their game. In our camp, players will play in controlled situations and scrimmage each day in addition to the skill development mentioned above.

Campers will be divided by size and age group, but will also play together under heavy supervision. We will have an hour and a half lunch break and watch a movie in the middle of the day; plans will be made to deal with inclement weather.

Please bring a change of t-shirt, water bottles, snack, and lunch. Players need a stick, mouthpiece, and cleats (sneakers for rainy days). We use equipment for live play. We have things we can loan out for the camp, but not much for the little guys. *Play It Again Sports* in Westminster is great for purchasing and sometimes renting used equipment. We cater to each individual player's needs. Prior experience is not necessary.
